 - Holland | Isabella, Denver, CO
 - Holland | Greenwood Park, Denver, CO
 - New City | Neuhoff, Nashville, TN
- Kaplan Residential | Generation at Venice, Venice, FL
 - Greystar | Landmark, Ann Arbor, MI

favorite pattern:

i'm a sucker for anything art deco + blue and white chinoiserie.

best advice:

fear and excitement release the same chemical reaction in your brain. it's simply your perspective on which one you choose.

hidden talent:

designing "fine leather goods" (parks and rec)

if it's the last thing i do...

i'll dive with whale sharks

trip of a lifetime:

helicopter ride over an active volcano
