best design tip:

“the truth is – things matter, they have to. they are what we live with and touch each and every day. they represent what we’ve seen, who we’ve loved and where we hope to go next. they remind us of the good times and the rough patches and everything in between that’s made us who we are” - nate berkus

favorite pattern:

anything lilly pulitzer

best advice:

be true to yourself.

hidden talent:

rap aficionado

trip of a lifetime:

paris to see the palace of versailles + eat macaroons from laduree!
