key project experience:

new development

— Cayuga Hospital | The Grove, Ithaca, New York

— Ying Family | In Fluxe, Ithaca, New York

renovation

— Ithaca Free Clinic | Multipurpose Space, Ithaca, New York

best design tip:

beautiful spaces are not well designed unless they place users ahead of aesthetics.

favorite pattern:

aboriginal dots

best advice:

be yourself, even if the world is constantly trying to turn you into something else.

hidden talent:

wake boarding

if it's the last thing i do...

i'll visit every country in the world.

trip of a lifetime:

anytime i get to spend laughing with the people that i love.
