

JR

JIM REILLY

operations director

cleveland, oh | naples, fl

b.s. industrial design

the ohio state university

ncidq, leed ap id+c

work experience:

senior operations professional recognized for solid organizations skills, keen attention to detail, team building and problem solving. reputation for developing long-term strategies that meet stakeholder objectives and ensure optimal productivity, performance and profit.

quality and process improvements

workflow | data analysis

backlog | forecast projections

staff | resource scheduling

work plan and benchmark multipliers

goal oriented team leadership

key performance indicators

vendor management | negotiation

key project experience:

new development

— Huntington National Bank | Multiple Projects, Midwest Region

— Willis Towers Watson | Multiple Projects, USA & International

— PR Newswire | Multiple Projects, Midwest Region

renovation

— Jones Day | Multiple Projects, Cleveland, OH

— Vocon | Office Reposition, Cleveland, OH

— HNTB | Cleveland, OH

— Pepperl+Fuchs | Multiple Projects, Twinsburg, OH

— Morgan Stanley | Columbus, OH

— Timken | Canton, OH

best design tip:

interior painting projects – use accent colors in small areas (i.e. 20% of the project area or less)

favorite pattern:

classic “running bond” brick pattern

best advice:

24-hour rule (when applicable) – if something is really bothering you, allow 24 hours to pass before responding. if the issue doesn't go away, this will allow enough time to gather appropriate thoughts and respond accordingly.

hidden talent:

former collegiate and high school basketball coach

if it's the last thing i do...

i will attend the olympics (summer, winter or both)

trip of a lifetime:

going to and watching the cleveland browns win the super bowl
