hiring and onboarding
college course and major selection
career and academic coaching

key project experience:

- education*
- Adjunct Professor | University of Central Florida, Strategies for Student Success
 - Adjunct Professor | Rollins College, Making and Major Marketable

best design tip:

there's a story in every project and it's important that it creates an intimate relationship with the people and environment.

favorite pattern:

stripes

best advice:

trust the process and don't give up!

hidden talent:

remembering random facts and dates people tell me about themselves.

if it's the last thing i do...

i will take a trip to see something beautiful – anywhere!

trip of a lifetime:

past: denver, co

future: italy
