best design tip:

a functional room can always be beautiful, but a beautiful room can't always be functional

favorite pattern:

plaid

best advice:

live in such a way that if anyone were to speak badly about you, no one would believe it

hidden talent:

recapping tv show episodes and movies like it's my job...  
\*specializing in reality tv\*

if it's the last thing i do...

i'll restore and live in an old farmhouse

trip of a lifetime:

backpack around europe
