BEST DESIGN TIP:

Have fun, believe in your work and try to be as organized + scheduled as you can.

FAVORITE PATTERN:

Cube. I believe it to be a beautiful pattern where fun and unique designs can be created.

BEST ADVICE:

Follow your dreams, be yourself and don't look back.

HIDDEN TALENT:

I love to sing and act.

IF IT'S THE LAST THING I DO...

I want to travel all around the world and indulge in their traditions, especially their food.

TRIP OF A LIFETIME:

Mexico 2020! I went on a trip with some of my best friends from college; it was two architects and two interior designers enjoying the culture, just in time before the pandemic... the entire experience was memorable.
