BEST DESIGN TIP:

Learn from and examine your surroundings. You never know what type of treasure you will find.

FAVORITE PATTERN:

Too many to just pick one, but free hand doodles are simply delightful.

BEST ADVICE:

Do things that make you feel uncomfortable.

HIDDEN TALENT:

I can knit you a blanket, weave and embroider.

IF IT'S THE LAST THING I DO...

I will learn to surf and go rock climbing.

TRIP OF A LIFETIME:

Traveled to Israel for 10 days and floated in the Dead Sea.
