SARAH FERENZ

Interior Designer

Charleston, SC
B.S. Interior Design
Philadelphia University

WORK EXPERIENCE:

Project management
Design documentation
Design development presentations
Schematic conceptual design
Material specifications
FF&E specifications
Photoshop
Power Point
AutoCAD

KEY PROJECT EXPERIENCE:

new development

— Crescent | Novel Parkway, Sanford, FL

repositioning

— Crescent | Novel White Fence Farm, Denver, CO
— Capreit | City View, Nashville, TN
— Lantower | Tortuga Bay, Orlando, FL
— Rangewater | Fox Ironworks, Denver, CO

BEST DESIGN TIP:

To make a large building feel cohesive, use varying percentages of the same base color palette in every space. Then, add unique accent colors, patterns and textures to individual spaces to add richness and depth.

FAVORITE PATTERN:

It's a tie between feminine chinoiserie and masculine pinstripe

BEST ADVICE:

Practice trusting your own ability to guide yourself

HIDDEN TALENT:

I love to sing and was cast as Eponine in my high school production of Les Misérables

**IF IT'S THE LAST THING
I DO...**

I'll have a daughter

TRIP OF A LIFETIME:

Dreamy Athens, Santorini, and Mykonos in the springtime
