Administrative Support | FFE

Naples, FL

WORK EXPERIENCE:

Office administration
Procurement
Data entry
Planning + scheduling

Microsoft office

BEST DESIGN TIP:

Texture! Texture! Texture! Adding warmth to a room through texture is my favorite way of incorporating things like foliage, wood, + stone (aka if you see me picking tree branches in my neighborhood... no you didn't).

FAVORITE PATTERN:

Imperfect or natural patterns like stone + plaster.

BEST ADVICE:

Walk right into your biggest fears- there is no growth that comes from comfort.

HIDDEN TALENT:

DIY-ing my own insanely expensive abstract art.

**IF IT'S THE LAST THING
I DO...**

I will go cage diving with great white sharks in South Africa!

TRIP OF A LIFETIME:

Past | Santorini, Greece
Future | Capri, Italy
