BEST DESIGN TIP:

Less is always more.

FAVORITE PATTERN:

Gucci's tiger face print wallpaper

BEST ADVICE:

Health is a fundamental foundation to living out our wildest dreams.

Life is art. Be the curator of your own story.

HIDDEN TALENT:

Yoga Inversions!

IF IT'S THE LAST THING I DO...

I will be able to press up into a handstand!

AND write a coffee table book about lifestyle & interior wellness.

TRIP OF A LIFETIME:

Travel the globe. Meet with designers to hear their stories and learn how design influences their day to day lives. All while eating and drinking my way through each region. Yes, we can turn this into a documentary. Any takers?
