BEST DESIGN TIP:

Quality, exclusivity, and innovation makes the difference.

FAVORITE PATTERN:

Weave patterns.

BEST ADVICE:

You should never blame others for what life puts you through. If there is something that you don't like or doesn't work for you, consider that it is part of a journey, which allows you to grow. The key is to accept what you can't change, learn, move ahead, and try again.

HIDDEN TALENT:

Cooking special meals.

IF IT'S THE LAST THING I DO...

I will travel around the world.

TRIP OF A LIFETIME:

New Years Eve in Dubai.
